

Winners of Guldhemmet 2024 announced

On Thursday, March 27, Hemnet hosted the sixth edition of Guldhemmet – Sweden’s largest real estate gala, where the industry’s top professionals and most impressive achievements are celebrated. The gala was held in the Winter Garden at the Grand Hôtel in front of 350 guests. A total of ten awards were presented to real estate agents and property developers, based on both nominations and sales statistics.

- It was an incredibly inspiring experience to meet the real estate industry at yesterday’s gala, and I want to extend a big thank you to everyone who helped make the evening unforgettable. Real estate agents and property developers deserve to be recognized for the important role they play in the market and in society. It’s amazing to see the impact the award has had on many past winners – and how it continues to inspire new ones. Guldhemmet is more than just a gala; it’s a celebration of the industry’s drive, dedication, and constant progress, said **Jonas Gustafsson**, CEO of Hemnet.
